I am a disabled single father with a federally recognized disability, and a Mainstream Voucher holder through HUD/IHCDA/CASI/LMHA. My child also has documented disabilities. We have been subjected to discrimination, retaliation, and obstruction of ADA/504/VAWA rights by housing authorities and their affiliates, leading to wrongful displacement, loss of housing, and medical crises.

I made multiple requests for ADA and reasonable accommodations due to medical fragility, supported by letters from my treating physicians, including Dr. Jordan Vaughn, who documented that any displacement could cause severe health decline or death. These accommodations were ignored or denied, and I was instead met with escalating retaliation and interference.

I was falsely accused, misled, and displaced without cause despite full compliance and medical justification. My voucher was blocked from transfer across jurisdictions (Kentucky to Indiana) initially, and documentation was tampered with or hidden within LMHA’s and IHCDA’s/CASI’s systems.

I experienced direct retaliation, and continue to experience direct retaliation and discrimination for filing fair housing complaints and civil rights reports under ADA, Section 504, VAWA, and Olmstead protections. Additionally, Community Action of Southern Indiana (CASI) refused to act on known violations, and continues to refuse to act, and HUD offices under Frank McNeil (KY HUD) and Kimberly Wize (IN HUD) have refused to enforce protections or respond to evidence of ongoing retaliation even including digital and regular mail interference, and fax interference. Both Louisville Metro Housing Authority (LMHA) and Vida-Management/New Chestnut Ridge Apartments LLC dba Station J-Town, owned by Beitel, in KY engaged in collusion to terminate tenancy without cause, falsifying documents, and ignoring medical documentation and legal protections.

This represents not only a pattern of disability and familial status discrimination, but also systemic retaliation for protected activity (filing complaints, requesting accommodations, and exposing administrative corruption).

I continue to face homelessness, severe medical harm including obstruction of life-preserving medically necessary infusions, records release refusal, and denial of federal due process across both Kentucky and Indiana jurisdictions, and in four federal circuits (2nd, 6th, 9th, and DC) at district and appellate levels. I am calling upon federal HUD, FHEO, and PIH to assist with enforcing federal law related to housing, discrimination, retaliation, ADA, VAWA, Olmstead Act, 1915c, Section 504, and Mainstream Voucher protections themselves and upholding your federal duty to do so, and ensuring other agencies tasked with upholding federal law do so as well.

For IHCDA (Indiana Housing & Community Development Authority) - Nicole Chatman and Legal Dept at IHCDA:

IHCDA failed to honor my portability request from Kentucky despite full eligibility, ignored ADA/504 accommodation requests, and refused to enforce compliance with federal Mainstream Voucher protections. Their inaction directly enabled retaliation and my subsequent loss of housing.

For Indiana HUD – Kimberly Wize:
Kimberly Wize and Indiana HUD staff were fully informed of my circumstances, yet continue to ignore repeated evidence of retaliation and noncompliance by IHCDA and CASI. They refuse to intervene or enforce ADA, 504, or VAWA protections despite written notice and physician documentation from multiple physicians.

For CASI – Community Action of Southern Indiana - Adrian Jamieson, Gregory Miller, Regina Harper, Marilyn Ellis:
CASI mismanaged my case, ignored ADA, VAWA, 1915c, Olmstead Act, and Section 504 accommodation requests, and refused to act when retaliation and displacement occurred. Their negligence and refusal to respond to life-threatening housing issues contributed to my loss of stability and worsening medical condition & remain displaced w/o accommodat
